

# Love Or Magic

The Righteous Brothers

Please tell me, darling  
Is it love I feel?  
Or is it magic  
Baby, that makes it seem so real?  
I got to know  
Is it love or is it magic  
That I feel in my heart for you?

I hope this groovy feeling  
Is never gonna stop  
If time will change it, baby  
I'm gonna turn back the clock  
I want to know  
Is it love or is it magic  
That I feel in my heart for you?

Woah  
If it's love, people gonna knock it down  
And if it's magic, I don't believe in it  
Well, if I'm dreaming, I don't care  
Please don't, don't you dare try to wake me  
'Cause I'm happy as I can be  
Happy as I can be

Please tell me, darling  
Is it love I feel?  
Or is it magic  
Baby, that makes it seem so real?  
I got to know  
Is it love or is it magic  
That I feel in my heart for you?

Woah  
If it's love, people don't knock it  
And if it's magic, I don't believe in it  
Well, if I'm dreaming, I don't care  
Please don't, don't you dare try to wake me  
'Cause I'm happy as I can be  
Happy as I can be

Is it love I feel?  
Is it love I feel?  
Is it love I feel?  
Is it love I feel?  
Is it love I feel?  
Is it love I feel?  
Is it love I feel?  
Is it love I feel?
