

Since I Fell For You

The Righteous Brothers

When you just give love and never get love
You better let love depart
I know it's so and yet I know
I can't get you out of my heart

You make me leave my happy home
You took my love and now you're gone
(You're gone, move on)
Since I fell for you

Love brings such misery and pain
I know I'll never be the same
(You're gone, move on)
Since I fell for you

It's too bad and it's too sad but I'm in love with you
You love me then you snub me
Oh, what can I do? I'm still in love with you

I guess I'll never see the light
I get the blues most every night
(You're gone, move on)
Since I fell for you
Since I fell in love with you
