## **That Kind Of Man**

the ring of fire

Haven't you heard What they are sayin' seems so absurd It can't be true I can't believe it, it can't be you

Are you that kind of man? I just don't understand Why don't you show your hand? I keep hearing You're that kind of man

Heaven and earth Fall from your fingers, what is it worth Where is the crime Why does it linger, wasting your time Aren't you concerned Aren't you preparing your crash and burn

Are you that kind of man? I just don't understand Why don't you show your hand? I keep hearing You're that kind of man

Now you're going down Got those photographs you denied You look like a clown So surprised
