

Dwell In Your House

The Riot

Your spirit
Paints my heart desires
As I delight in you
And I'm running to your heart.

One thing I ask that I may seek

That I may dwell in your house
Dwell in your house forever
I may dwell in your house
Dwell in your house forever
All the days of my life
I'll stand by your side
Lord draw me closer to you
Ohh ohh ohh oh ohh

I'm Your vessel
Take my life your hands
I will rise in you
I'm running to your heart

One thing I ask that I may seek
