

## Dwell In Your House

The Riot

Your spirit  
Paints my heart desires  
As I delight in you  
And I'm running to your heart.

One thing I ask that I may seek

That I may dwell in your house  
Dwell in your house forever  
I may dwell in your house  
Dwell in your house forever  
All the days of my life  
I'll stand by your side  
Lord draw me closer to you  
Ohh ohh ohh oh ohh

I'm Your vessel  
Take my life your hands  
I will rise in you  
I'm running to your heart

One thing I ask that I may seek
