

## When I Was Young

The Riot

The rooms were so much colder then  
My father was a soldier then.  
And times were very hard,  
When I was young.

I smoked my first cigarette at ten  
And the girls I had a bad yen  
And I had quite a ball  
When I was young

When I was young it was more important  
Paid more pain but the laughter much louder yeah... when I was  
young

Met my first love at thirteen  
She was brown and I was pretty green  
And I learned quite a lot  
When I was young.

The rooms were so much colder then  
My father was a soldier then.  
And times were very hard,  
When I was young

When I was young it was more important  
Paid more pain but the laughter much louder yeah... when I was  
young!

My faith was so much stronger then  
I believed in fellow men  
And I was so much older then  
When I was young.
