

Crispy Christian Tea Time

The Robot Ate Me

Sometimes we play, crispy christian tea time, with barbies tea and toast. And my friend brings his talking version of god and a full budist lego set.

Did you know that my grandmother bought me a full jesus action figure set?

Sometimes we play crispy christian tea time with barbies, tea and toast.

And when we play crispy christian tea time, I like to be, the president.

And if you, don't like my game you should definetely just run away because otherwise you'll burn in flaims.

It's my world even if i'm insane.

It's my world even if I'm insane.

It's my world even if I'm insane.

It's my world even if I'm insane.
