

Answered Prayers

The Roches

Do you love me I'm confusing
Never free I am asking
Now you don't have to make me beg
You marry me
It's my birthday thanks for calling
Nothing is new no one loves me darling
Like the way you love me
Sad but true
Yes I will if you bring them over
Hem your pants then we will discuss it
All the reasons why
The won'ts, the can'ts
Tell your lovers it's all over
I'm your man all the crying sobbing
And the fake heart throbbing
Falling through my hands
I will carry up my suitcase
Even on the stairs
Don't you worry darling
I won't ever leave you
