

Cold Hard Wind

The Roches

You can't reason
With a cold hard wind
All you can do is
Not let it in
When i'm with you
I can never win
You can't reason
With a cold hard wind

When i met you
You were quiet
If i wanted
You would buy it
Doing it your way
Everything was great
I tried my way
And watched the weather
Change

I didn't love you
So i could suffer
I got tough and
You got tougher
In your frozen eyes
No room for compromise
And our sunny days
Filled with blackened skies

I swore at the rain and
I'll do it again
But you can't reason
With a cold hard wind
A cold hard wind

A cold hard wind
You can't reason
With a cold hard wind
