

## Feeling Is Mutual

The Roches

The feeling is mutual  
Is what you will say  
if things turn out okay  
If I were writing a play  
love will open our eyes  
Maybe  
Love will be a surprise  
Maybe then  
At the moment when  
I realize you're there  
So you see that I care  
the feeling is mutual  
Is what you will say  
I long to hear someday
