

G Chord Song

The Roches

Everybody writes a rain song
Everybody writes what's done 'em wrong
Everybody writes the same pain song
And as long
As it's gonna sound just like everybody else's
You might as well
Like singin' the tune

Everybody writes a war song
Everybody writes a G chord song
Everybody wants to record some day
What can you say
It's gonna sound just like everybody else's
You might as well
Like singin' the tune

Everybody tries a fun song
Everybody writes a runnin' song
Everybody's got their one that belongs to them

It's gonna sound just like everybody else's
You might as well
Like singin' the tune
