

## The Married Men

The Roches

One in Louisiana  
one who travels around  
one of 'em mainly stays in heart-throb town  
I am not their main concern  
they are lonely too  
I am just an arrow passing through  
When they look into my eyes  
I know what to do  
I make sure the words I say are true  
When they send me off at dawn  
pay the driver my fare  
they know I am goin' down somewhere  
O the married men  
the married men  
never would have had a good time again  
if it wasn't for the married men  
One says he'll come after me  
another one'll drop me a line  
one says all o' my agony is in my mind  
They know what is wrong with me  
none of 'em wants my hand  
soloin' in my traveling wedding band  
O the married men  
the married men  
makes me feel like a girl again  
to run with the married men  
One of 'ems got a little boy  
other one he's got two  
one of 'ems wife is one week overdue  
I know these girls they don't like me  
but I am just like them  
pickin' a crazy apple off a stem  
Givin' it to the married men  
the married men  
all o' that time in hell to spend  
for kissin' the married men
