

# She's My Baby

The Rocket Summer

Work's been rough,  
hear too much stuff like,  
"they don't get it so tough",  
it's like I haven't hear that enough.  
Better luck next month.  
Here's how it sounds to be let down.  
After going round and round,  
you just step back and think, "wow."  
I guess it's actually a silent sound...

But then there's she,  
and she's my baby.  
She's so good to me.  
She's my ba-

Becoming last is where I am at.  
So much time has passed,  
and I'm stuck trying to relive the past and I can't go back.  
Will somebody just save me?  
'Cus I'm growing up so fast,  
and yeah it ain't really a blast.

Because I just dusted off some records that I bought at 14.  
Then I busted into tears 'cus I just didn't believe  
the melodies and memories.  
'Cus then I see - the fallen dreams.

But then there's she,  
and she's my baby.  
She's so good to me, she's my baby.  
(yes you are, yes you are, yes you are, yes you are)  
She's my baby.  
She's so good to me, she's my baby

Woah, yeah you mean everything to me.
