

Taken Aback

The Rocket Summer

It's been two whole years
Since you and I shared fears
2:30 am, talking to sleep inside that diner
And now in your eyes, I can't find you

Sorry that I'm taken aback
But, how I am, you never ask
And I don't need such sympathy
But a care would be so whoa whoa
Nice to have once in a while
You mean more to me than I could ever tell
So, sorry that I'm taken aback
But I just can't help it

Small town, we just ride
Holding onto what we had inside
But now it's never there
So should I admit
Do I believe I too am the culprit?
Cause now in your eyes I can't find you

Sorry that I'm taken aback
But, how I am, you never ask
And I don't need such sympathy
But a care would be so whoa whoa
Nice to have once in a while
You mean more to me than I could ever tell
So, sorry that I'm taken aback
But I just can't help it

Someday this will go away
And everything I am will just leave and fade
And I hope that you will understand
It's not everything I am, my dear only friend

So, sorry that I'm taken aback
But, how I am, you never ask
And I don't need such sympathy
But a care would be so whoa whoa
Nice to have once in a while
You mean more to me than I could ever tell
So, sorry that I'm taken aback
But I just can't help it

Oh woah oh
Oh woah oh, woah
Oh woah oh
Oh woah oh, woah
