

What We Hate, We Make

The Rocket Summer

Don't try to hide
the mistakes I made this time,
But please try and listen,
'cus I'm breaking my heart tonight
so you can see what's inside.
'Cus wherever you go, well that's where I'll go.
I'd do so much I'll show but you won't know.
So here's a song to show for the things I've blown,
but I'm sorry so...that's the only way that I know.

And all I've learned is
What we hate we make. What we hate we make.
There's no time for hating. But what we hate we make.

Something is about to change,
I can feel it in my heart today.
And you know it's not the first time,
but I bet it won't be the same.
'Cus right now I'm at an all time low.
So here's a song just so you won't go.
'Cus that's the only thing that I know.

And I will start with a verse,
then a bridge, write a chorus,
so we all can sing along
with everything we've got.
But between you and me, the song would be
written for us. But I know that's not enough
to say I'm sorry.

What we hate we make. What we hate we make.
There's no time for hating. But what we hate we make.

And you will know what you will be.
And yeah, you will know what you mean to me.
Yeah, you will know that truthfully
I am sorry.
