

## Blue Turns to Grey

The Rolling Stones

So now that she is gone  
You won't be sad for long  
For maybe just an hour or just a moment  
Of the day  
Then blue turns to grey  
And try as you may  
You just don't feel good  
You don't feel alright  
And you know that you must find her, find her, find her  
You think you'll have a ball  
And you won't care at all  
You'll find another girl or maybe more  
To pass the time away  
Then blue turns to grey  
And try as you may  
You just don't feel good  
You just don't feel alright  
And you know that you must find her, find her, find her  
She's not home when you call  
So you can go to all  
The places where she used to go  
But she has gone away  
Then blue turns to grey  
And try as you may  
You just don't feel good  
You don't feel alright  
And you know that you must find her, find her, find her  
Blue turns to grey (blue turns to grey)  
She has gone away (blue turns to grey)  
I feel so bad (blue turns to grey)  
I wish you'd come on home (blue turns to grey)  
I feel, I feel so down...
