

# Can't Be Seen

The Rolling Stones

I, I just can't be seen with you  
I admit it anyway, yeah

I just get obscene with you, yeah  
I don't stand a chance with you  
I never did anyway

I, I can't even sleep with you, oh  
I'd always be awake, baby, baby, yeah

I just can't be seen with you  
It's for your own sake  
You're better off anyway  
It's too dangerous baby, yeah  
It's too dangerous  
I just can't be seen with you

They set us up so they can shoot us down, yeah  
Put us six feet underground  
It's just too deep for me baby

Oh yeah, I just can't be seen with you  
Oh, although it hurts me to say  
Yeah it was just a dream with you  
Yeah because you're married anyway

Oh shit

Yeah, babe I don't stand a chance with you  
Oh you're better off this way  
It's hit and run anyway  
It's just too dangerous babe

I just can't be, yes I got to chill this thing  
with you  
I just can't be, yeah, yeah  
It's just too dangerous baby  
Baby it's just too much for you  
I just can't be  
I just can't be seen nowhere around you  
baby  
I just can't be  
It's too dangerous - it's just too dangerous  
baby  
Even in the dark  
I just can't be  
Yeah I got to chill with you  
I just can't be
