

# Can You Hear the Music

The Rolling Stones

Can you hear the music, can you hear the music?  
Can you feel the magic hangin' in the air?  
Can you feel the magic? Oh, yeah

Love is a mystery I can't demystify, oh, no  
And sometimes I wonder why we're here  
But I don't care, I don't care

Can you hear the music, can you hear the music?  
Can you feel the magic dancin' in the air?  
Can you feel the magic? Oh, yeah

Love is a mystery I can't demystify, oh, no  
Sometimes I I'm dancin' on air  
But I get scared, I get scared

When I hear the drummer, get me in the groove  
When I hear the guitar, makes me wanna move  
Can you feel the magic, floatin' in the air?  
Can you feel the magic? Oh, yeah

Sometimes you're feelin' you've been pushed around  
And your rainbow just ain't here  
Don't you fear, don't you fear

When you hear the music trouble disappear  
When you hear the music ringin' in your ears  
Can you feel the magic floatin' in the air?  
Can you hear the magic? Oh, yeah, yeah

When you hear the music ringin' in my ear  
Can you hear the music? Oh, yeah  
Can you hear the drummer? Gets you in the groove  
Can you hear the guitar? Make you wanna move? Yeah

Can you hear the music? Oh, yeah  
Can you hear the music ringin' in my ear?  
Can you hear the music, can you hear the music?
