

Commit a Crime

The Rolling Stones

I'm gonna leave you baby
Before I commit a crime
I'm gonna leave you baby
Before I commit a crime
You tried so hard to kill me
Woman it just was not my time

You put poison in my coffee
Instead of milk or cream
You put poison in my coffee
Instead of milk or cream
You're bout the evilest woman
That I ever seen

I'm gonna leave you baby
Before I commit a crime
I'm gonna leave you woman
Before I commit a crime
You tried so hard to kill me
But woman it just was not my time
