She looks so simple in her way Does the same thing everyday But she's dedicated To having her own way She's very complicated (Ah, har, har, har, har)

Yeah

Women seem to fill her mind
And many men in so short time
But she's underrated
She treats me oh so kind
She's very complicated
(Ha, har har har, har)

Yeah

We talk together and discuss What is really best for us She's sophisticated My head's fit to bust Cause she's so complicated Ah, ha har har, har

She knows just how to please her man Softer than a baby lamb
But she's educated
Doesn't give a damn
She's very complicated
(Har, har har har, har)
Na, na na na num

She looks so simple in her way Does the same thing everyday But she's dedicated To having her own way She's very complicated (Har, har har har, har...)
