

# Down in the Hole

The Rolling Stones

Will all your money  
Buy you forgiveness  
Keep you from sickness  
Or keep you from cold?

Will all your money  
Keep you from madness  
Keep you from sadness  
When you're down in the hole?

'Cause you'll be down in the gutter  
You'll be bummin' for cigarettes  
Bummin' for nylons  
In the American Zone

You'll be down in the hole  
Yeah, down in the hole  
No escape from trouble  
Nowhere to go

Down in the gutter  
Beggin' for cigarettes  
Beggin' forgiveness  
All that you know

Down in the hole  
After diggin' the trenches  
Looking for cover and findin' out there ain't nowhere nowhere to go  
Nowhere nowhere nowhere to go

None of your money  
Will buy you forgiveness  
None of your jewelry  
None of your gold

Your black market cigarettes  
Your American nightclubs  
Ah, they've got nowhere left

Something for nothing  
All of your friends gone  
Something for nothing  
That's all that you know

There's something down in the hole  
Down down down in the hole  
There's something down down down down in the hole
