Down in the Hole

The Rolling Stones

Will all your money Buy you forgiveness Keep you from sickness Or keep you from cold?

Will all your money Keep you from madness Keep you from sadness When you're down in the hole?

'Cause you'll be down in the gutter You'll be bummin' for cigarettes Bummin' for nylons In the American Zone

You'll be down in the hole Yeah, down in the hole No escape from trouble Nowhere to go

Down in the gutter Beggin' for cigarettes Beggin' forgiveness All that you know

Down in the hole After diggin' the trenches Looking for cover and findin' out there ain't nowhere nowhere to go Nowhere nowhere nowhere to go

None of your money Will buy you forgiveness None of your jewelry None of your gold

Your black market cigarettes Your American nightclubs Ah, they've got nowhere left

Something for nothing All of your friends gone Something for nothing That's all that you know

There's something down in the hole Down down down in the hole There's something down down down down in the hole
