Empty Heart

The Rolling Stones

A empty heart is like an empty life I said a empty heart is like a empty life Well, it makes you feel like you wanna cry Like you wanna cry Like you wanna cry Well you've been my lover for a long long time Well you've been my lover for a long long time Well you left me all alone, and end my time I want my lover again I want my lover again I want my lover again I want it back again Yeah, a little stick Yeah, a little bit darling Take it down Take it down Yeah, take it down Come on back to me, baby Come on back to me, baby Come on Come on back to me And I'll show ya I'll show ya That a empty heart means a empty life Yeah an empty heart like a empty life Oh, it makes you feel like you wanna die Like you wanna die Like you wanna die (I wanna die)
