

# Everybody Needs Somebody to Love

The Rolling Stones

I'm so glad to be here tonight and I'm so glad to be home  
And I believe I've got a message for every woman and  
Every man here tonight that ever needed somebody to love  
Someone to stay with them all the time, when they're  
Up and when they're down. You know, sometimes you get what you want  
And then you go and lose what you have  
And I believe every woman and every man here tonight listen to my song  
And it save the whole world  
Listen to me

Everybody wants somebody  
Everybody wants somebody to love  
Someone to love  
Someone to kiss  
Sometime to miss, now  
Someone to squeeze  
Someone to please  
And I need you you you  
I need you you you  
I need you you you  
I need you you you

Oh, sometimes I feel like  
I feel a little sad inside  
My baby mistreats me  
And I kinda get a little little mad

I need you you you  
To see me through, babe  
When the sun go down  
Ain't nobody else around  
That's when I need you baby  
That's when I say I love you  
That's when I say I love you  
Let me hear you say yeah  
Let me hear you say yeah  
Let me hear you say yeah  
Let me hear you say yeah

I need you you you you  
Somebody to see me through, baby  
I need you you you  
I need you you you  
I need you you you

When the sun goes down  
Ain't nobody else around  
That's when I'm all by myself  
That's when I need your lovin' darlin'  
That's when I need you so bad  
You're the one I really need bad (?)

I need you  
To see me through baby  
In the morning time too  
When the sun goes down  
Ain't nobody else around

I need your lovin' so bad

Everybody needs somebody to love

I'm not afraid to be by myself but I just need to be somebody to love

All the time

All the time

All the time

All the time

All the time, babe

I said all the time, babe

I said all the time, babe

I need you

I need your lovin' so bad

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah, yeah, yeah

Let me hear you say yeah

Uh, huh, huh, huh

Uh huh, huh huh huh

Yeah, I need you baby so bad bad bad, bad bad, bad bad bad bad

I need you

I need you you you

I need your lovin' babe

I need your lovin' darlin'

Everybody needs somebody
