I'd Much Rather Be With the Boys

The Rolling Stones

Here I am All alone and all dressed up to kill Cause I'd much rather be with the boys Than be with you

Here I am With the gang, I don't care where you are Cause I'd much rather be with the boys Than be with you

I hold up my head up high when I walk down the street Now I'm a man I'm standing on my own two feet Don't try to call me cause now I know the score and now i know that i don't need you anymore

Don't put me on It's over now, it's no good looking back Cause I'd much rather be with the boys

Who's fooling who It's over now and you've had all your headache from me Cause I'd much rather be with the boys Yes I'd much rather be with teh boys Yes I'd much rather be with the boys And the boys and the boys they would Much rather be with the boys than with girls like you

Girls like you.....
