

I Want to Be Loved

The Rolling Stones

The spark (stars) in your eyes sets
my soul on fire
Your voice is like an angels above
The touch of your hand drives me insane
But baby, I want to be loved

I'm crazy 'bout ev'ry little thing you do
I cherish the way you hug (me)
Your kiss is so sweet, honey, it can't be beat
But baby, I want to be loved

Ev'ry time I ask you for a date
You don't come at all, or you're mighty late
I ask you to dance, (take) a little spin
You say "Wait a minute, daddy,
here comes my friend"

I love the way you walk when you pass me by
Even when you try to snub (me)
You kill (kiss) me, baby when
you give me the eye
But baby, I want to be loved
