

## It's Not Easy

The Rolling Stones

It's not easy  
It's not easy living on your own  
It's not easy  
It's not easy living on your own  
And it's hard (it's not easy)  
And it's hard (it's not easy)  
And it's a pretty hard thing (it's not easy)  
It's not easy living on your own  
All of the things that you used to do  
If they're done now, well they're done by you  
It seems a big failing in a man  
To take his girl for granted if he can  
And it's hard thing (it's not easy)  
And it's hard (it's not easy)  
And it's a pretty hard thing (it's not easy)  
It's not easy livin' on your own  
There's no place where you can call home  
Got me running like a cat in a thunderstorm  
Just a big bed and a telephone  
Like the last remnants of a stately home  
And it's a pretty hard thing (it's not easy)  
And it's hard (it's not easy)  
Well, it's a pretty hard thing (it's not easy)  
It's not easy livin' on your own  
And it's hard (it's not easy)  
And it's hard (it's not easy)  
And it's a pretty hard thing (it's not easy)  
It's not easy living on your own  
Sit here thinking with your head of fire  
Go think the same thing and never tire  
Imagin' the glow of her long clean hair  
As she goes to sit on her own high chair  
And it's hard thing (it's not easy)  
Well, it's a pretty hard thing (it's not easy)  
Well, it's hard babe (it's not easy)  
It's not easy livin' on your own  
It's not easy (a pretty tough thing)  
It's not easy (well, life pretty rough)  
It's not easy (it's a hard time baby)  
It's not easy (it's a hard time baby)  
It's not easy (it's a pretty hard life)
