Mixed Emotions

The Rolling Stones

Button your lip baby Button your coat Let's go out dancing Go for the throat Let's bury the hatchet Wipe out the past Mae love together Stay on the path You're not the only one With mixed emotions You're not the only ship Adrift on this ocean This coming and going Is driving me nuts This to-ing and fro-ing Is hurting my guts So get off the fence It's creasing your butt Life is a party Let's get out and strut You're not the only one That's feeling lonesome You're not the only one With mixed emotions You're not the only one Let's grab the world By the scruff of the neck And drink it down deeply Let's love it to death So button your lip And button your coat Let's go out dancing Let's rock 'n' roll You're not the only one With mixed emotions You're not the only ship Adrift on this ocean You're not the only one That's feeling lonesome You're not the only one With mixed emotions
