Moonlight Mile

The Rolling Stones

When the wind blows and the rain feels cold With a head full of snow With a head full of snow In the window there's a face you know Don't the nights pass slow Don't the nights pass slow The sound of strangers sending nothing to my mind Just another mad mad day on the road I am just living to be lying by your side But I'm just about a moonlight mile on down the road Made a rag pile of my shiny clothes Gonna warm my bones Gonna warm my bones I got silence on my radio Let the air waves flow Let the air waves flow Oh I'm sleeping under strange strange skies Just another mad mad day on the road My dreams is fading down the railway line I'm just about a moonlight mile down the road I'm hiding sister and I'm dreaming I'm riding down your moonlight mile I'm hiding baby and I'm dreaming I'm riding down your moonlight mile I'm riding down you moonlight mile Let it go now, come on up babe Yeah, let it go now Yeah, flow now baby Yeah move on now yeah Yeah, I'm coming home 'Cause, I'm just about a moonlight mile on down the road Down the road, down the road
