

# Pain in My Heart

The Rolling Stones

Pain in my heart  
Treatin' me poor  
Where can my baby be  
Lord, no one knows

Pain in my heart  
Won't let me sleep  
Where can my baby be  
Lord, where is she

And one day  
My days are gettin' tough  
Won't you come back, come back, come back, baby  
Lord

Pain in my heart  
Won't let me be  
Oh, oh, oh, oh, I wake up restless night in misery  
Lord

Won't somebody stop this pain

Lord, one day  
My days are gettin' tough  
Won't you love me, love me, love me, baby

Pain in my heart  
Pain in my heart  
Somebody stop this  
Pain in my heart  
It's killin' me baby  
This pain in my heart  
Oh, oh, oh, oh  
Pain in my heart  
This pain in my heart
