[Intro]

[Verse 1]

I see a red door and I want it painted black.  
No colours anymore I want them to turn black.  
I see the girls walk by dressed in their summer clothes.  
I have to turn my head until my darkness goes.

[Verse 2]

I see a line of cars and they're all painted black.  
With flowers and my love both never to come back.  
I see people turn their heads and quickly look away.  
Like a newborn baby it just happens every day.

[Verse 3]

I look inside myself and see my heart is black.  
I see my red door, I must have it painted black  
Maybe then I'll fade away and not have to face the facts.  
It's not easy facing up when your whole world is black.

[Verse 4]

No more will my green sea go turn a deeper blue.  
I could not foresee this thing happening to you.  
If I look hard enough into the setting sun  
My love will laugh with me before the morning comes.

[Verse 5]

I see a red door and I want it painted black.  
No colours anymore I want them to turn black.  
I see the girls walk by dressed in their summer clothes.  
I have to turn my head until my darkness goes.
