

# Respectable

The Rolling Stones

Well now we're respected in society  
We don't worry about the things that we used to be  
We're talking heroin with the president  
If there's a problem sir you better keep it better

Well now you're a pillar of society  
You don't worry about the things that you used to be  
You're ready to take your eye on a grain of power  
You're an alias liar, the one's has lost  
Get out of my life, don't come back  
Get out of my life, don't come back

She's so respectable  
She's so respectable  
She's so delectable  
She's so respectable  
Get out of my life  
Don't take my wife  
Don't come back  
Get out of my life  
Don't take my wife  
Don't come back  
What I say

She's so respectable  
She's so respectable  
She's so delectable  
She's so respectable  
Get out of my life  
Don't take my wife  
Don't come back  
Get out of my life  
Don't take my wife  
Don't come back  
What I say

She's so respectable  
She's so respectable  
She's so delectable  
She's so respectable  
Get out of my life  
Don't take my wife  
Don't come back  
Get out of life  
Don't take my wife  
Don't come back  
Get out of my life  
Don't take my wife  
Don't come back, come back, hey
