## **Respectable**

## **The Rolling Stones**

Well now we're respected in society We don't worry about the things that we used to be We're talking heroin with the president If there's a problem sir you better keep it better

Well now you're a pillar of society You don't worry about the things that you used to be You're ready to take your eye on a grain of power You're an alias liar, the one's has lost Get out of my life, don't come back Get out of my life, don't come back

She's so respectable She's so respectable She's so delectable She's so respectable Get out of my life Don't take my wife Don't come back Get out of my life Don't take my wife Don't come back What I say

She's so respectable She's so respectable She's so delectable She's so respectable Get out of my life Don't take my wife Don't come back Get out of my life Don't take my wife Don't come back What I say

She's so respectable She's so respectable She's so delectable She's so respectable Get out of my life Don't take my wife Don't come back Get out of life Don't take my wife Don't come back Get out of my life Don't take my wife Don't come back, come back, hey
