

# She Smiled Sweetly

The Rolling Stones

Why do my thoughts loom so large on me?  
They seem to stay, for day after day  
And won't disappear, I've tried every way

But she smiled sweetly  
She smiled sweetly  
She smiled sweetly  
And says don't worry  
Oh, no no no

Where does she hide it inside of her?  
That keeps her peace most every day  
And won't disappear, my hair's turning grey

But she smiled sweetly  
She smiled sweetly  
She smiled sweetly  
And says don't worry  
Oh, no no no

There's nothing in why or when  
There's no use trying, you're here  
Begging again, and ov'r again

That's what she said so softly  
I understood for once in my life  
And feeling good most all of the time

But she smiled sweetly  
She smiled sweetly  
She smiled sweetly  
And said don't worry  
Oh, no no no  
Oh, no no no  
Oh, no no no
