

# Some Girls

The Rolling Stones

Some girls give me money  
Some girls buy me clothes  
Some girls give me jewelry  
That I never thought I'd own

Some girls give me diamonds  
Some girls, heart attacks  
Some girls I give all my bread to  
I don't ever want it back

Some girls give me jewelry  
Others buy me clothes  
Some girls give me children  
I never asked them for

So give me all your money  
Give me all your gold  
I'll buy you a house back in Zuma beach  
And give you half of what I own

Some girls take my money  
Some girls take my clothes  
Some girls get the shirt off my back  
And leave me with a lethal dose

French girls they want Cartier  
Italian girls want cars  
American girls want everything in the world  
You can possibly imagine

English girls they're so prissy  
I can't stand them on the telephone  
Sometimes I take the receiver off the hook  
I don't want them to ever call at all

White girls they're pretty funny  
Sometimes they drive me mad  
Black girls just wanna get fucked all night  
I just don't have that much jam

Chinese girls are so gentle  
They're really such a tease  
You never know quite what they're cookin'  
Inside those silky sleeves

Give me all you money  
Give me all your gold  
I'll buy you a house back in Zuma beach  
And give you half of what I own

Some girls they're so pure  
Some girls so corrupt  
Some girls give me children  
I only made love to her once

Give me half your money  
Give me half your car

Give me half of everything  
I'll make you world's biggest star by half

So gimme all your money  
Give me all your gold  
Let's go back to Zuma beach  
I'll give you half of everything I own
