

Time Is on My Side

The Rolling Stones

Time is on my side, yes it is
Time is on my side, yes it is

You're searching for good times, just wait and see
You'll come running back
You'll come running back
You'll come running back to me

Time is on my side, yes it is
Time is on my side, yes it is

'Cause I got the real love the kind that you need
You'll come running back
You'll come running back
You'll come running back to me

Go ahead baby go ahead, go ahead and light up the town
Baby, do anything your little heart desires
Remember, I will always be around
One day you're gonna come back
Do you know that you can shine for me, just screamin' out
Go, go, go

Time is on my side, yes it is
Time is on my side, yes it is

'Cause I got the real love the kind that you need
You'll come running back
You'll come running back
You'll come running back to me

Time, time, time is on my side, yes it is
Time, time, time is on my side, yes it is
Time, time, time is on my side, yes it is
