

## Time Is on My Side

The Rolling Stones

Time is on my side, yes it is  
Time is on my side, yes it is

You're searching for good times, just wait and see  
You'll come running back  
You'll come running back  
You'll come running back to me

Time is on my side, yes it is  
Time is on my side, yes it is

'Cause I got the real love the kind that you need  
You'll come running back  
You'll come running back  
You'll come running back to me

Go ahead baby go ahead, go ahead and light up the town  
Baby, do anything your little heart desires  
Remember, I will always be around  
One day you're gonna come back  
Do you know that you can shine for me, just screamin' out  
Go, go, go

Time is on my side, yes it is  
Time is on my side, yes it is

'Cause I got the real love the kind that you need  
You'll come running back  
You'll come running back  
You'll come running back to me

Time, time, time is on my side, yes it is  
Time, time, time is on my side, yes it is  
Time, time, time is on my side, yes it is
