Time Is on My Side

The Rolling Stones

Time is on my side, yes it is Time is on my side, yes it is

You're searching for good times, just wait and see You'll come running back You'll come running back You'll come running back to me

Time is on my side, yes it is Time is on my side, yes it is

'Cause I got the real love the kind that you need You'll come running back You'll come running back You'll come running back to me

Go ahead baby go ahead, go ahead and light up the town Baby, do anything your little heart desires Remember, I will always be around One day you're gonna come back Do you know that you can shine for me, just screamin' out Go, go, go

Time is on my side, yes it is Time is on my side, yes it is

'Cause I got the real love the kind that you need You'll come running back You'll come running back You'll come running back to me

Time, time, time is on my side, yes it is Time, time, time is on my side, yes it is Time, time, time is on my side, yes it is
