

# Too Rude

The Rolling Stones

Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you

Everywhere  
All over the place  
Every man, he has  
A picture of your face  
Hey little girl  
Don't you realize  
This is a goddamn disgrace

Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you

Oh little girl  
You never want me  
Tomorrow night you say  
You need my key  
Hey little girl  
Go and have a ball  
You know one day girl  
You're bound to fall

Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you

Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you

Everywhere  
All over the place  
Every man, he has  
A picture of your face

Hey little girl  
Don't you realize  
This is a goddamn disgrace  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you

Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you  
Girl you're too bad  
Girl you're too rude  
Everyman I speak to  
Says he wants you
