

## What a Shame

The Rolling Stones

What a shame  
Nothing seems to be going right  
What a shame  
Nothing seems to be going right  
It seems easy to me that everything can be alright

What a shame  
They always wanna start a fight  
What a shame  
They always wanna start a fight  
Well it scares me so  
I could sleep in the shelter all night  
Well alright

What a shame  
You all heard what I said  
What a shame  
Y'all heard what I said  
You might wake up in the morning  
And find your poor self dead
