

# You Don't Have to Mean It

The Rolling Stones

You don't have to mean it  
You just got to say it anyway  
I just need to hear those words for me

You don't have to say too much  
Babe I wouldn't even touch you anyway  
I just want to hear you to say to me

Sweet lies  
Baby baby dripping from your lips  
Sweet sighs  
Say to me come on and play  
Play with me baby

You don't have to mean it  
You just got to say it to me baby  
Whisper whisper whisper in my ear  
(I don't believe it)  
(I don't believe it)

I wouldn't want to use you  
Ooh I wouldn't blame you anyway  
If you never ever spoke to me  
(I don't believe it)

Hmm just say those little words  
Sit on my shoulder like a little bird  
Baby baby sing those words for me

Sweet lies  
Baby baby dripping from your lips  
Sweet sighs  
Ooh you make me cry

Oh baby you know it  
You know what I want to hear  
Dripping from your lips  
I got to tell you baby  
Dripping from your lips

You don't have to say too much  
Whisper whisper baby baby  
I just wanna hear you say to me

(I don't believe it)

You don't have to mean it  
Babe just say it anyway  
I just need to hear those words from your sweet lips

You don't have to mean it  
You don't have to mean it  
(I don't believe you)  
You don't have to shout across the room  
Just whisper in my ear baby
