You Don't Have to Mean It

The Rolling Stones

You don't have to mean it You just got to say it anyway I just need to hear those words for me

You don't have to say too much Babe I wouldn't even touch you anyway I just want to hear you to say to me

Sweet lies Baby baby dripping from your lips Sweet sighs Say to me come on and play Play with me baby

You don't have to mean it You just got to say it to me baby Whisper whisper whisper in my ear (I don't believe it) (I don't believe it)

I wouldn't want to use you Ooh I wouldn't blame you anyway If you never ever spoke to me (I don't believe it)

Hmm just say those little words Sit on my shoulder like a little bird Baby baby sing those words for me

Sweet lies Baby baby dripping from yuor lips Sweet sighs Ooh you make me cry

Oh baby you know it You know what I want to hear Dripping from your lips I got to tell you baby Dripping from you lips

You don't have to say too much Whisper whisper baby baby I just wanna hear you say to me

(I don't believe it)

You don't have to mean it Babe just say it anyway I just need to hear those words from your sweet lips

You don't have to mean it You don't have to mean it (I don't believe you) You don't have to shout across the room Just whisper in my ear baby
