

Better Make A Move

The Romantics

All alone, out in the cold
Could be happy, but my heart's on hold
I need excitement, need a fire
Finally found someone to free my desire
Hey, hey, oh yeah, can't be slow
What I'm feeling I can't control
Am I wastin' my time?
I think we're two of a kind
Better make a move
Better make a move
Better make a move
Better make a move
She's just the girl to get me in line
She may look young but she could be mine
All the night, all the day
I count the minutes 'til we slip away
Hey, hey, yeah, yeah, keep it strong
I got the feeling that it won't be long
Am I wastin' my time?
I think we're two of a kind
Better make a move
Better make a move
Better make a move
Better make a move
I could be wrong but things look good
They never seem to be as good as they should
Time is right for this romance
Any time my luck could change
Better make a move
Better make a move
Better make a move
Better make a move
You better make a move
You better make a move
You better make a move
You better make a move
Hey, hey, I better make a move
You better make a move
You better make a move
You better make a move
