

# Diggin' on You

The Romantics

You're drivin' me crazy  
You make me climb the walls  
You got me shakin' all over  
Baby just wanna ball

CHORUS

You know that I want you-everyday  
I'm nothin' without you when you're away  
No I can't stop-diggin' on you

I get the shivers  
When you enter the room  
I can't keep my hands to myself  
They're all over you

CHORUS

Whenever you're aaround  
I'm so up I can't come down  
My head's spinnin' around and round  
And I can't stop diggin' on you

Ooh you're a teaser  
You're gonna drive me mad  
I feel it comin' on again  
You make a good boy bad

CHORUS
