

## I'm Hip

The Romantics

I dig money I dig girls  
I'm living it up while I'm in this world  
I'm no angel I'm no fool  
I'm not bragging I'm just cool

Rock 'n' rollin!  
Ooh my soul-  
I'm hip!

My phone keeps ringing off the hook  
It must be how the way I look  
I ain't making no big deal  
Man-it's just the way I feel

CHORUS

I got charm I got class  
When I make love it's made to last  
I'm no angel I'm no fool  
I'm not bragging I'm just cool

CHORUS
