

# Love Me to the Max

The Romantics

I give you all of my loving  
I give you all of my heart and soul  
And in return I get nothing  
I get you hot but you treat me cold

[CHORUS]

So come on-baby's holding back  
So come on-give me all you got  
Love me to the max

Come on to me so inviting  
You try totell me that you're so shy  
But when I get you excited  
I see the fire burning in your eyes

[CHORUS]

I'm making love to you all of the time  
I tell the world-this girl is mine  
But it ain't nothing 'till you're loving me back  
So come on baby-love me to the max

[CHORUS]

I give you all my devotion  
I give you all of my heart and soul  
And all I want is emotion  
I get you hot but you treat me cold

[CHORUS]
