

# When I Look in Your Eyes

The Romantics

When I look in your eyes  
I get a feeling that I can't describe  
It can't be wrong  
No, no  
Not when a feelin's comin' on this strong

Now I'm wonderin' why  
I feel so good inside  
When I look in your eyes

When you tell me your mine  
You send a shiver runnin' up and down my spine  
Could this be love  
Cause you're the girl I've been dreamin' of now

I'm wonderin' why  
I feel so good inside  
When I look in your eyes  
When I look in your eyes

When I get you alone  
It's so much different from the telephone  
Don't let me go  
no no  
Just want to hold you like I told you so now

I'm wonderin' why  
I feel so good inside  
When I look in your eyes  
When I look in your eyes
