Frosty the Snowman

The Ronettes

Frosty the snowman Was a happy, jolly soul With a corncob pipe and a button nose And two eyes made out of coal

Frosty the snowman Is a fairytale, they say He was made of snow but the children know How he came to life one day

There must have been some magic In that old silk hat they found For when they placed it on his head He began to dance around

Oh, Frosty the snowman Was alive as he could be And the children say he could laugh and play Just the same as you and me

Frosty the snowman Frosty the snowman...

[Instrumental]

He led them down the streets of town Right to the traffic cop And he only paused a moment when He heard him holler stop!

Frosty the snowman Had to hurry on his way But he waved goodbye, saying don't you cry I'll be back again some day

Oh oh
