

I Wish I Never Saw The Sunshine

The Ronettes

Baby, do you know what you did today?
Baby, do you know what you took away?
You took the blue out of the sky
My whole life changed when you said goodbye
& I keep cryin', cryin'

CHORUS:

Oh baby, oh baby
I wish I never saw the sunshine
I wish I never saw the sunshine
'Cause if I never saw the sunshine
Baby, maybe I wouldn't mind the rain

Every day is just like the day before
All along 100 miles from shore
All of my dreams I dreamed with you
Now they will die & never come true
& so I'm cryin', cryin'

(chorus)

There wouldn't be this pain
& I know there wouldn't be cloud dots over me
Everywhere I go

(chorus)

I wouldn't mind the rain
Oh that pain
Oh the rain
...& fade
