

# My Guiding Angel

The Ronettes

My Guiding Angel  
Up above  
I have lost  
My first love  
So, tell me now  
When am I due?  
I'm so lonely, so lonely, so lonely and you  
Too many teardrops  
Do I cry  
Since we said  
It's goodbye  
I've got an angel  
Now, what must I do?  
Oh, I wonder, I wonder,  
Does he miss me, too?  
I try  
So hard  
To find someone  
Take his place  
But no love, in the world  
Have I found  
Who can replace  
His tender embrace  
I know that you,  
Understand  
That's why I'm leaving  
It all in your hands  
And you heard my plea  
So please, answer me  
Guiding Angel  
How a way to you  
Set me free  
Oh oh oh oh oh oh,  
Set me free  
Oh oh oh oh oh oh,  
Set me free
